

Tea Time with Women in STEM

Curie Club 2016-2017 Student Discussion Series

Storytelling from Successful Women in STEM

Undergraduate and graduate women are invited to a monthly gathering to hear stories from successful women in STEM. Advice and mentorship served with tea, coffee, hot chocolate, and treats!

Room 4429 - Thatcher Building for Biological and Biophysical Chemistry

1st or 2nd Wednesday of each month

Questions? Call Tascha Knowlton at 801-585-7284

September 7
2:00-3:00pm

Cynthia Burrows
Distinguished Professor, U of U
Organic & Biochemistry

Brittany Coats
Associate Professor, U of U
Biomechanical Engineering

October 5
12:00-1:00pm

Caroline Saouma
Assistant Professor, U of U
Inorganic Chemistry

Brenda Bowen
Associate Professor of Geology, U of U
Director, Global Change & Sustainability Center

November 2
5:30-6:30pm

Shelley Minter
USTAR Professor, U of U
Bioanalytical & Materials Chemistry

Karen Thomas
Pharmacy Clinical Coordinator
University of Utah Health Care

January 11
2:00-3:00pm

Jen Heemstra
Associate Professor, U of U
Organic & Biochemistry

Sylvia Torti
Dean of Honors College, U of U
Science & Humanities

February 1
5:30-6:30pm

Carrie Kelley
Professor-Lecturer, U of U
AMES Instructor

Mary Ann White
Materials & Process Chief Engineer
Orbital ATK

March 1
2:00-3:00pm

Beth Buck-Koehntop
Assistant Professor, U of U
Physical & Biochemistry

Pearl Sandick
Assistant Professor, U of U
Particle Physics & Cosmology

April 5
12:00-1:00pm

Luisa Whittaker-Brooks
Assistant Professor, U of U
Inorganic & Materials Chemistry

Alla Borisyuk
Associate Professor of Math, U of U
Computational Neuroscience
